Letter of explanation to parents

Dear Parents

Please find attached the forms that need to be completed so that medication can be administered to your child during the school day.

These forms have been designed to ensure the safety of your child and to protect the school staff who do not have medical training.

Forms 1 and 2 are to be completed by you. Form 3 is to be completed by the medical practitioner prescribing the medication. Once completed please return all three forms to the school.

I am aware that this may seem a complicated process but please be assured that the school will give you every assistance in this matter.

In this instance, and as an interim measure only, we will undertake to administer medication to your child without the required documentation until _____ (*date*).

Please do not hesitate to contact me if I can be of further assistance to you.

Yours sincerely,

Principal
